

**1,000,000,000 Depositary Receipts  
Telecom HOLDRS (SM) Trust**

This prospectus supplement revises as specified the information contained in the prospectus dated March 15, 2011 relating to the sale of up to 1,000,000,000 depositary receipts by the Telecom HOLDRS Trust. Investors should read the prospectus dated March 15, 2011 as revised by this prospectus supplement. Except as specifically stated herein, the information in the prospectus dated March 15, 2011 is unchanged.

The following should be inserted as a new risk factor under "RISK FACTORS – General Risk Factors":

- *Termination and Liquidation of the Telecom HOLDRS Trust.* In light of the recently announced definitive Asset Purchase Agreement entered into between Merrill Lynch & Co., Inc. and Van Eck Associates Corporation that is discussed below under "RECENT DEVELOPMENTS," the Initial Depositor believes it is likely the Telecom HOLDRS Trust will be terminated during the fourth quarter of 2011 and subsequently liquidated. The Initial Depositor expects that exchange offers will be commenced for certain Trusts. The Initial Depositor intends to exercise its right to cause termination of all the Trusts; including the Telecom HOLDRS Trust, to become effective if and when those exchange offers are completed and the HOLDRS sought are accepted for exchange. If the Trusts are terminated, the property of the Telecom HOLDRS Trust would subsequently be liquidated in accordance with the terms of the relevant depositary trust agreement governing the Trust. For additional information please see "RECENT DEVELOPMENTS" and "AMENDMENTS TO THE HOLDRS TRUST AGREEMENTS."

The risk factor, "*Delisting from the NYSE Arca,*" under "RISK FACTORS – General Risk Factors" shall be replaced with the following:

- *Delisting from the NYSE Arca.* The NYSE Arca may consider delisting the Telecom HOLDRS if (i) the Telecom HOLDRS has fewer than the required number of record and/or beneficial holders for 30 or more consecutive trading days; (ii) the number of Telecom HOLDRS issued and outstanding falls below levels prescribed by the NYSE Arca; (iii) the market value of all Telecom HOLDRS issued and outstanding falls below levels prescribed by the NYSE Arca; or (iv) any other event shall occur or conditions exists which, in the opinion of the NYSE Arca, makes further listing of the Telecom HOLDRS on the NYSE Arca inadvisable. If the Telecom HOLDRS are delisted by the NYSE Arca, a termination event will result unless the Telecom HOLDRS are listed for trading on another U.S. national securities exchange within five business days from the date the Telecom HOLDRS are delisted. In view of the Asset Purchase Agreement entered into by Merrill Lynch & Co., Inc. and Van Eck Associates Corporation that is discussed below under "RECENT DEVELOPMENTS," Merrill Lynch & Co. expects that in the fourth quarter of 2011, the Telecom HOLDRS will be delisted from trading on the NYSE Arca and does not expect that the Telecom HOLDRS will be listed for trading on another U.S. national securities exchange. In addition, the Initial Depositor understands that if the Telecom HOLDRS Trust is terminated, the NYSE Arca will immediately suspend the HOLDRS permanently from trading on the NYSE Arca or any other national securities exchange. Following a permanent suspension, the NYSE Arca would take action to delist the HOLDRS. For additional information, please see "RECENT DEVELOPMENTS" and "RISK FACTORS – General Risk Factors – Termination and Liquidation of the Telecom HOLDRS Trust."

**RECENT DEVELOPMENTS**

On August 11, 2011, Merrill Lynch & Co., Inc. ("Merrill Lynch") and Van Eck Associates Corporation ("Van Eck") entered into a definitive Asset Purchase Agreement (the "Agreement") whereby Van Eck will acquire Merrill Lynch's right, title and interest to registered intellectual property, unregistered trade marks and copyrights, certain data, software and other materials as

specified in the Agreement (the “Purchased Assets”) that relate to the rights of Merrill Lynch with respect to Holding Company Depository Receipts (“HOLDERS”). Under the terms of the Agreement, Van Eck’s Market Vectors ETF Trust (the “Market Vectors Trust”) will, subject to regulatory compliance, offer investors in each of the Biotech HOLDERS Trust, Oil Service HOLDERS Trust, Pharmaceutical HOLDERS Trust, Regional Bank HOLDERS Trust, Retail HOLDERS Trust and Semiconductor HOLDERS Trust (collectively, the “Subject HOLDERS Trusts”, and the HOLDERS of these Subject HOLDERS Trusts, the “Subject HOLDERS”) the opportunity to exchange their Subject HOLDERS for shares of new Market Vectors exchange traded funds. These exchange offers will be made pursuant to registration statements to be filed with the Securities and Exchange Commission. The Trustee has advised us that it intends to waive its cancellation fee with respect to Subject HOLDERS that are tendered in the anticipated exchange offers and accepted for exchange, but not with respect to any other Subject HOLDERS or any non-Subject HOLDERS. The Trustee may charge a fee of up to \$0.10 per HOLDER for surrender and cancellation of all HOLDERS to which the fee waiver does not apply.

It is expected that effective thirty minutes before the expiration of the exchange offers anticipated to be made by the Market Vectors Trust, the NYSE Arca will halt trading of the Subject HOLDERS on the NYSE Arca. If the Market Vectors Trust accepts for exchange the Subject HOLDERS tendered in the anticipated exchange offers, it is expected that effective as of the close of trading on the NYSE Arca on the day on which the anticipated exchange offers expire, all HOLDERS issued by the Trusts that trade on the NYSE Arca will cease to trade on either the NYSE Arca or any other national securities exchange. Thereafter, the HOLDERS will no longer use any HOLDERS ticker symbol.

### **AMENDMENTS TO THE HOLDERS TRUST AGREEMENTS**

On August 11, 2011, Merrill Lynch, Pierce, Fenner & Smith Incorporated, in its capacity as Initial Depositor (the “Initial Depositor”), and The Bank of New York Mellon, in its capacity as Trustee (“Trustee”), amended (such amendments collectively, the “Amendments”) the Depository Trust Agreements for the B2B Internet HOLDERS Trust, Biotech HOLDERS Trust, Broadband HOLDERS Trust, Europe 2001 HOLDERS Trust, Internet HOLDERS Trust, Internet Architecture HOLDERS Trust, Internet Infrastructure HOLDERS Trust, Market 2000+ HOLDERS Trust, Oil Service HOLDERS Trust, Pharmaceutical HOLDERS Trust, Regional Bank HOLDERS Trust, Retail HOLDERS Trust, Semiconductor HOLDERS Trust, Software HOLDERS Trust, Telecom HOLDERS Trust, Utilities HOLDERS Trust and Wireless HOLDERS Trust (collectively, the “Trusts” and each, a “Trust”, which term does not refer to the CP HOLDERS Deposit Facility). The Amendments, which were adopted pursuant to Section 6.1 of the Standard Terms for Depository Trust Agreements, dated as of September 2, 1994, as amended (the “Standard Terms”), will become effective 30 days after notice is given by the Trustee to the persons in whose name the relevant depository trust receipt is held (the “Owners”). Cede & Co., as the Owner of the receipts issued by each of the Trusts, was sent notice of the Amendments on August 12, 2011.

#### *Early Termination*

The Amendments add a new early termination event to the Depository Trust Agreements. In the event the Initial Depositor gives notice to the Trustee of its decision to terminate a Trust, the Trust will be subject to early termination upon the Trustee mailing notice of such termination to the Owners of the receipts then outstanding at least 30 days prior to the termination date specified by the Initial Depositor. Cede & Co., as the Owner of receipts issued by each of the Trusts, will be sent notice of the Amendments on or about August 12, 2011.

#### *Liquidation*

Section 6.2(b) of the Standard Terms gives the Trustee the authority to sell the underlying securities that remain in a Trust at any time after the expiration of one year following the termination date of a Trust. The Amendments reduce the one-year period to four months following the termination date of the Trust.

The foregoing description of the Amendments is qualified in its entirety by reference to the full text of the relevant Amendment, which is attached as Annex A to this prospectus supplement.
